# Wireless/Wired Hi-Speed USB Device Server 11g

## SX-2000WG+

**Provides instant Wi-Fi access to your Hi-Speed USB Devices**

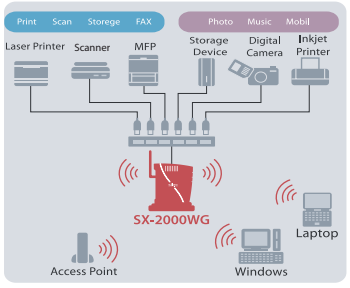
## Ultimate Freedom to Remotely Use Your USB Devices

### Features & benefits

- **Instantly Convert Your USB Devices to a Shared Resource on Your 802.11g/b WLAN.** The Hi-Speed Wireless/Wired USB Device Server provides 802.11g/b wireless or 10/100 Base-TX wired LAN connectivity for USB 2.0 Hi-speed devices. It instantly converts the connected device(s) for access anywhere on your wireless LAN. Now you can enjoy the convenience and freedom of remotely using multifunction printers, scanners, storage devices, or various other USB devices*. The integration of USB devices into virtual environments and securing of USB dongles is also supported. The SX-2000WG brings flexibility and productivity of USB devices to a whole new level.

- **Easy Wireless Configuration with Microsoft Windows Connect Now.** The SX-2000WG+ supports Microsoft Windows "Connect Now"**. It simplifies the complicated wireless LAN initial configuration. The process is very easy. Use the Windows XP Connect Now wizard, save the results on your USB flash-tumb drive, then insert the thumb drive to the device server. The Server creates the wireless configuration automatically in a few minutes. Alternatively, the Hi-Speed Wireless USB Device Server can be configured over a wired LAN connection.

### Networking example



*SILEX **SX-Virtual Link** allows you to see what devices are available across your LAN on a real time basis. You can also set your individual USB device application software to be launched automatically when the device is connected to your PC.*

### Technical Specifications

| | |
|---|---|
| Supported Operating Systems | Windows 7/Vista/XP/2000 (32/64 bit), Server 2008/2003;* MacOS 10.2.7 or higher |
| Supported protocols | TCP/IP |
| Printer interface | USB 2.0 Hi-Speed (A-Type) x 1 |
| Network interface | IEEE802.11b/g wireless (1M/2M/5.5M/11M/24M/36M/54M Auto-detection) 10 Base-T / 100 Base-TX (Auto-detection) |
| Wireless Security | WEP(64/128), SSID, WPA-PSK(TKIP/AES) |
| Total number of USB interface connections | 15 (including USB Hub) |
| Configuration | Web browser, Quick Setup, telnet |
| Languages (Installation utility) | English, German, French, Italian, Spanish, Portuguese, Chinese, Japanese |
| Power supply | Universal AC adapter (AC100 - 240V) |
| Power consumption | 9W (DC5V 1.8A) |
| Warranty | 2 years |
| Regulatory approvals | FCC, CE, VCCI Class B |
| Package Contents | SX-2000WG, Setup Guide, AC adapter, Warranty booklet, CD-ROM with configuration utilities and PDF manuals, Antenna, Stand |
| Dimensions | 36 x 140 x 143 mm (excl. Antenna & Stand) 1.4 x 4.5 x 5.4 in (excl. Antenna & Stand) |
| Weight | 172g / 5.6 oz (excl. Antenna & Stand) |
